Vacancy: This examination is being held to establish an Eligible List to fill future vacancies in this title, which may occur during the life of the Eligible List. An eligible may receive only one Permanent appointment from this Eligible List. If an eligible accepts a Contingent-Permanent appointment their name will be removed from the Eligible List only for the department or agency in which she/he received the Contingent-Permanent appointment. Once appointed, there will be a probation period of 8 to 26-weeks based on performance of duties.

➤ It is the applicants' responsibility to clearly show that they meet the **minimum qualifications** for the position.

Minimum Qualifications: Immediately preceding the examination date, candidates must possess, EITHER:

1) An Associate's Degree, or higher, in Fire Science Technology AND two (2) years or Permanent Competitive status in the position of Firefighter in the City of Canandaigua; OR

2) Three (3) years of Permanent Competitive status in the position of Firefighter in the City of Canandaigua.

Special Note: Education: Your degree must have been awarded by a college or university accredited by a regional, national, or specialized agency recognized as an accrediting agency by the U.S. Department of Education/U.S. Secretary of Education. If your degree was awarded by an educational institution outside the United States and its territories, you must provide independent verification of equivalency. A list of acceptable companies who provide this service can be found on the Internet at <http://www.cs.ny.gov/jobseeker/degrees.cfm>. You must pay the required evaluation fee.

Anticipated Eligibility: Applicants who lack thirty days, or less, of meeting the minimum qualifications by the date of the examination will be admitted conditionally to the examination. However, proof of the additional days' qualifications must be submitted prior to the establishment of the eligible list.

Job Description: This is supervisory firemanic work involving responsibility for the upkeep and maintenance of the quarters, operations, equipment and appliances of the Fire Department. Direct supervision is exercised over the activities of the firefighters. The work is performed in accordance with established policies and requires the exercise of good judgment in emergencies. The work is performed under the direct supervision of the Fire Chief. On assignment, the incumbent acts in place of the Fire Chief. Does related work as required.

Subjects of Examination: A test designed to evaluate knowledge, skills and/or abilities in the following areas:

1. Preparing written material - These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

2. Fire prevention - These questions test for a knowledge of fire prevention methods, principles, practices, and equipment. The questions cover such areas as the following: alarm systems; automatic smoke/fire detectors; automatic sprinklers; standpipes; dealing with building owners and managers; fire hazards; fire prevention education; and inspection of buildings.

3. Firefighting practices and equipment - These questions test for a knowledge of firefighting methods, principles, practices, and equipment. The questions cover such areas as the following: aspects of the Incident Management System; building materials and construction types; direction of subordinate firefighters; communications at emergency incidents; accountability; fire cause and origin; building inspections; extinguishing agents and application procedures; fire behavior characteristics; fire suppression; hand and power tools; hazardous materials; weapons of mass destruction; hoses, nozzles, and water streams; ladders and elevating platforms; self-contained breathing apparatus (SCBA); fire scene size-up; and ventilation.

4. On-the-job training of fire personnel - These questions test for a knowledge of the principles and practices of on-the-job training of fire personnel. The questions cover such areas as determining the necessity for training, selecting appropriate training methods, overcoming obstacles to learning, and evaluating the effectiveness of training.

5. Rescue techniques and basic emergency medical response - These questions test for a knowledge of rescue techniques and basic emergency medical treatment. You will be presented with brief descriptions of various fire, rescue, and personal injury and illness situations. Each situation will be followed by one or more questions that cover such areas as the following: triage; bleeding; broken bones; burns; respiratory failure; cardiac failure; rescue-related tools; knot tying; rescue and associated EMS equipment.

6. Supervision - These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.

Test guide: A Guide for the Written Test for **Lower Level Fire Promotion** is available at the New York State website: <https://www.cs.ny.gov/testing/testguides.cfm>. Candidates not having access to a computer or the internet may request copy of the test guide from the municipal civil service office conducting this examination using the contact information found elsewhere on this announcement.
