

## ECONOMIC DEVELOPMENT DIRECTOR

### THE POSITION

---

The ***Economic Development Director*** is a professional and administrative position responsible for implementation and maintenance of the County's Economic Development Plan. This position is responsible for ongoing efforts to position the County as a premier location for economic development in a variety of industry. Primarily responsibility for maintaining and developing collaborative relationships and strategies with the Ontario County Local Development Corporation, local industrial development agencies, existing businesses, and the Finger Lakes Visitor Connection. This position assists the towns and cities in attracting industries, determining locations, and assisting existing industries with expansion. Must be able to effectively administer programs and produce measurable results.

Starting Salary Range: \$104,636 - \$121,708 dependent on experience with comprehensive benefits package including 2% match to deferred compensation, full health and dental insurance, wellness program, EAP, professional development training, and NYS Retirement pension.

### MINIMUM QUALIFICATIONS

---

Possession of at least a Bachelor's degree in Economic Development, Planning, Business Administration, Public Administration, Marketing or a related field. At least four (4) years of full time experience in economic development, public administration, or business management, or other field related to industrial and/or economic development.

Ontario County residency required within 12 months of appointment.

### HOW TO APPLY

---

Applications for this position must be submitted electronically through the Ontario County website, Human Resources webpage. <https://ontario-portal.mycivilservice.com/>

If you have additional questions please call the Human Resources Department at (585) 396-4465. EOE

Applications accepted until July 30, 2021
