

City of Canandaigua Vacancy

Salary Range: \$23.45/hr - \$27.69/hr. End amount dependent on Certification Level.

Appointment will be made on a Provisional basis, with permanent appointment following successful qualification in a Civil Service Examination which will be scheduled at a later date.

WASTEWATER TREATMENT PLANT OPERATOR TRAINEE

This is a trainee position in the competitive class for which candidates are selected on the basis of basic knowledge of elementary chemistry and general science and mechanical aptitude. Trainee period is required to satisfactorily complete the training and experience requirements of the New York State Sanitary Code for certification appropriate to the plant.

MINIMUM QUALIFICATIONS: Graduation from high school or possession of a high school equivalency diploma.

NOTE: Advanced education degree received will be accepted in lieu of the minimum education noted.

DISTINGUISHING FEATURES OF THE CLASS: This is a trainee position involving responsibility for learning the duties and routines in the operation and maintenance of a wastewater treatment plant and to complete the training and experience requirements of the New York State Sanitary Code for certification appropriate to the plant. The work is performed under the direct supervision of a qualified operator. Does related work as required.

TYPICAL WORK ACTIVITIES: (Illustrative only)

Performs study and reading assignments, observes demonstrations and otherwise learns the techniques of operation and maintenance of a wastewater treatment plant;
Learns and assists in the operation and adjustments of pumps, valves, screens and related mechanical equipment;
Learns and assists in the inspection, maintenance and repair of pumps, valves, screens and related mechanical equipment;
Learns and assists in the making of tests to determine chlorine residual;
Cleans channels, screens, tanks and other equipment;
Learns and assists in the preparation and maintenance of activity records and reports;
Performs increasingly responsible duties as assigned in the operation and maintenance of a wastewater treatment plant.

FULL PERFORMANCE KNOWLEDGE, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS:

Familiarity with elementary principles of chemistry and general science; good general intelligence; good observation; mechanical aptitude; ability to learn principles and procedures relating to operation and maintenance of a wastewater treatment plant; ability to develop skill in the operation and maintenance of pumps, valves and related mechanical equipment; ability to get along well with others; ability to understand and follow oral and written instructions; industry and dependability; tact and courtesy; physical condition commensurate with the demands of the position.

REVISED: 6/10/09; 12/18/19

CIVIL SERVICE CLASSIFICATION: VARIES BY JURISDICTION

(Ontario County job descriptions adopted by City of Geneva on 4/12/00)

WASTEWATER TREATMENT PLANT OPERATOR

MINIMUM QUALIFICATIONS:

Grades 4 & 4A (Activated Sludge Plant whose designated point score is 76 points or greater) [GRADE 4 OR 4A CERTIFICATE]

1. Possession of a Bachelor of Science degree, or higher; OR
2. Possession of a Bachelor of Arts degree with at least 30 credit hours in math or science; OR
3. Possession of an Associate's Degree in a NYSDEC approved curriculum, PLUS 18 months operating experience at a wastewater treatment plant; OR
4. Possession an Associate's Degree PLUS 3 years operating experience at a wastewater treatment plant; OR
5. Graduation from high school or possession of a high school equivalency diploma AND SIX (6) years operating experience at a wastewater treatment plant.

PLUS: Completion of an appropriate approved course by the Commissioner, Department of Environmental Conservation; AND eighteen (18) months operating experience at an activated sludge wastewater treatment plant with a point score of 56 or greater, and the ability to perform necessary tests.

Grade 3 & 3A (All other treatment processes whose designated point score is 56-75 points) [GRADE 3 OR 3A CERTIFICATE OR HIGHER]

1. Possession of an Associate's Degree in a NYS DEC approved curriculum; OR
2. Possession of an Associate's Degree plus 18 months of operating experience at a wastewater treatment plant; OR
3. Graduation from high school or possession of a high school equivalency diploma and three (3) years of operating experience at a wastewater treatment plant.

PLUS: Completion of an appropriate approved course by the Commissioner, Department of Environmental Conservation AND eighteen (18) months operating experience at an activated sludge wastewater treatment plant with a point score of 56 or greater, and the ability to perform necessary tests.

Grade 2 & 2A (All other treatment processes whose designated point score is 31-55 points) [GRADE 2 OR 2A CERTIFICATE OR HIGHER]

1. Graduation from high school or possession of a high school equivalency diploma.

PLUS: Completion of an appropriate approved course by the Commissioner, Department of Environmental Conservation; AND twelve (12) months operating experience at an activated sludge wastewater treatment plant with a point score of 31 or greater, and the ability to perform necessary tests.

WASTEWATER TREATMENT PLANT OPERATOR

MINIMUM QUALIFICATIONS: (Continued)

Grade 1A (Activated Sludge Plant whose designated point score is 30 points or less)

[GRADE 1A CERTIFICATE OR HIGHER]

Grade 1 (All other treatment processes whose designated point score is 30 or less)

[GRADE 1 CERTIFICATE OR HIGHER]

1. Graduation from high school or possession of a high school equivalency diploma.

PLUS: Completion of an appropriate approved course by the Commissioner, Department of Environmental Conservation AND Six (6) months operating experience at an activated sludge wastewater treatment plant and the ability to perform necessary tests.

NOTE: POSSESSION OF THE PLANT'S REQUIRED DEC CERTIFICATE MAY BE SUBSTITUTED FOR THE OPERATING EXPERIENCE REQUIRED.

SPECIAL NOTE: EDUCATION: Your degree must have been awarded by a college or university accredited by a regional, national, or specialized agency recognized as an accrediting agency by the U.S. Department of Education/U.S. Secretary of Education. If your degree was awarded by an educational institution outside the United States and its territories, you must provide independent verification of equivalency. A list of acceptable companies who provide this service can be found on the Internet at <http://www.cs.ny.gov/jobseeker/degrees.cfm>. You must pay the required evaluation fee.

SPECIAL REQUIREMENT FOR APPOINTMENT AND ACCEPTANCE OF APPLICATIONS:

Eligibility for appropriate operator certificate issued by the New York State Department of Environmental Conservation at time of application. Possession of the certificate at the time of appointment and throughout the tenure of appointment.

NOTE: Courses approved by the NYSDEC are noted in DEC Operating Manual to be provided upon request.

NOTE: To credit operating experience it must be of the same point score or higher for which certification is being sought. Experience for "A" operator must be at an activated sludge plant with the same point score or higher for which certification is being sought.

<u>GRADE 4A PLANT:</u>	City of Geneva
<u>GRADE 4 PLANT:</u>	City of Canandaigua Town of Farmington
<u>GRADE 3A PLANT:</u>	Manchester-Shortsville Joint Sewer System
<u>GRADE 3 PLANT:</u>	Village of Bloomfield
<u>GRADE 2A PLANT:</u>	Village of Clifton Springs
<u>GRADE 2 PLANT:</u>	Village of Phelps Honeoye Lake Sewer District
<u>GRADE 1 PLANT:</u>	Village of Rushville

DISTINGUISHING FEATURES OF THE CLASS: This is routine, technical work involving responsibility during a shift for the efficient operation and maintenance of a wastewater treatment plant with facilities for chemical precipitation, sludge vacuum filtration, sludge incineration, separate sludge digestion, or any other biological oxidation process. In the case of a Type A Plant, operation and maintenance of a facility for the activated sludge process is required. The work is performed under the general supervision of an operator

qualified to be in charge of the operation of the plant. May oversee subordinate employees in the performance of their assigned duties. Does related work as required.
