Minimum Qualifications: Either:

1. Possession of a Bachelor of Science degree; OR
2. Eligibility for a professional engineer's license issued by the State of New York AND possession at the time of permanent appointment; OR
3. Possession of an Associate's degree in applied science AND four (4) years of satisfactory experience in the actual operation of a water treatment plant with facilities for filtration with pretreatment, or for chemical softening, or any similar process (If the curriculum is approved by the State Department of Health, the experience requirement may be reduced by a half to two and one-half years.); OR
4. Graduation from high school or possession of a New York State equivalency diploma AND eight (8) years of approved experience described in (3) above;

SPECIAL REQUIREMENTS WITHIN ONE YEAR OF APPOINTMENT:

- 1) Satisfactory completion of an appropriate course of instruction approved by the State Department of Health within one year from the date of appointment;
- 2) 12 months of satisfactory experience in the actual operation of a water treatment plant with facilities for filtration with pretreatment, or for chemical softening, or any similar process.

SPECIAL NOTE: Type A Plant whose designated capacity exceeds 2.5 million gallons per day requires: Eligibility for a Grade I-A certificate issued under the provisions of the New York State Sanitary Code.

All criteria made in accordance with the New York State Department of Health Sanitary Code.

Special Note: Education: Your degree must have been awarded by a college or university accredited by a regional, national, or specialized agency recognized as an accrediting agency by the U.S. Department of Education/U.S. Secretary of Education. If your degree was awarded by an educational institution outside the United States and its territories, you must provide independent verification of equivalency. A list of acceptable companies who provide this service can be found on the Internet at <http://www.cs.ny.gov/jobseeker/degrees.cfm>. You must pay the required evaluation fee.

Anticipated Eligibility: Applicants who lack thirty days, or less, of meeting the minimum qualifications by the date of the examination will be admitted conditionally to the examination. However, proof of the additional days' qualifications must be submitted prior to the establishment of the eligible list.

Vacancy: The City of Canandaigua has one (1) position currently held by a provisionally appointed employee, who may be appointed on a permanent basis if found reachable on the Civil Service Eligible List established as a result of this examination.

This examination is being held to establish an Eligible List to fill future vacancies in this title, which may occur during the life of the Eligible List. An eligible may receive only one Permanent appointment from this Eligible List. If an eligible accepts a Contingent-Permanent appointment their name will be removed from the Eligible List only for the department or agency in which she/he received the Contingent-Permanent appointment. Once appointed, there will be a probation period of 8 to 52-weeks based on performance of duties.

Eligible Lists established by Ontario County Department of Human Resources are used to fill vacancies in Ontario County Government, its Cities, Towns, Villages, School Districts, Fire Districts, and public libraries, the Finger Lakes Community College, Geneva Housing Authority, and the Wayne-Finger Lakes BOCES.

In accordance with Section 23-4 (a) of the Civil Service Law, **preference in appointment** may be given to residents in the jurisdiction where the vacancy exists. When preference in certification is given, an eligible must have been a resident of such municipality for at least one month prior to the date of certification and must be a resident of such municipality at the time of certification and appointment. Applicants must list a home address to be considered for preference in certification.

Job Description: The work involves responsibility for overseeing the safe and efficient operation and maintenance of a Type A Water Treatment Plant containing facilities for filtration with pretreatment or a chemical softening process. General direction is received from the Director of Public Works but wide leeway is allowed for planning work methods and dealing with emergency conditions. Supervision is exercised over the work of operators, trainees and other subordinate personnel. Does related work as required.

Background Investigation: Candidates may be subject to a thorough background investigation and psychological evaluation to determine suitability for appointment. Applicants may be required to authorize access to educational, employment, criminal history and other records check as part of such investigation. Criminal convictions or other offenses are subject to evaluation and may result in disqualification. Applicants will be required to submit the necessary fees for the fingerprint processing, where required.

Special Requirement for Appointment in School Districts or BOCES: Per Chapter 180 of the Laws of 2000, and by Regulations of the Commissioner of Education, to be employed in a position designated by a School District or BOCES as involving direct contact with students, a clearance for employment from the State Education Department is required.

Subjects of Examination: A test designed to evaluate knowledge, skills and/or abilities in the following areas:
